Most Livinggreen planters are available in all the finishes detailed – but check the product page for a full listing as the design of some units makes certain finishes impractical.

La plupart des contenants de 'Livinggreen' sont disponibles avec toutes les finitions détaillées ci-dessous.

Veuillez toutefois vérifier la compatibilité du choix de la finition avec la forme du bac, car certaines sont difficiles à obtenir selon les modèles choisis.

BS4800 and RAL Classic: Over 300 colours available in highly polished gloss, satin, matt or textured matt finishes so you can achieve a perfect match to other furnishings.

BS4800 et RAL Classique: Plus de 300 couleurs disponibles avec plusieurs finitions : polie, satin ou mate texturée. Ainsi nos contenants permettent de trouver l'accord parfait avec l'esprit et l'aménagement du lieu.

Standard Colours: Specially selected colours that are usually held in stock and will meet most requirements. Available in highly polished gloss, satin, matt and textured matt.

Couleurs standard: Certaines couleurs sélectionnées parmi les gammes citées sont habituellement en stock et répondent à la plupart des exigences. Il s'agit des finitions suivantes : polie, satin et mate texturée.

Polished Metallics: The closest finishes to polished metal. Also available in satin sheen.

Métalliques polies: Finitions les plus semblant au métal poli.

Textured Metallics: Matt metal finishes with a rippled effect.

Métalliques texturées: Finitions en effet métal mat texturé.

Polished Pearlescents: Deep, almost 3D colours.

Perle polies: Finition créant un effet de profondeur.

Polished Stardust: Vibrant colour with a hint of silver sparkle. *Other colours on request – check availability before ordering.*

Stardust polies: Couleur scintillante incrustée de petites paillettes argentées. *Plusieurs couleurs sur demande - vérifiez la disponibilité.*

Gold and Silver leaf: True luxury finishes where planters are hand gilded with genuine metal leaf, hand burnished and coated with multiple layers of clear lacquer. *Other leaf finishes available on request.*

Feuilles d'argent et feuille d'or: Les finitions de luxe, les bacs sont travaillés à la main avec des véritables feuilles en métal, ensuite polies à la main et recouvertes de plusieurs couches de vernis clair. *D'autres couleurs de feuilles sont disponibles sur demande.*

Please note we recommend Textured and Natural finishes if planters are to be used outdoors. However all our finishes are suitable for exterior use – please specify this at the time of ordering.

Nous recommandons pour des usages extérieurs d'employer des finitions texturées ou naturelles. Cependant toutes nos finitions conviennent pour l'usage à l'extérieur - spécifiez le lieu d'usage (intérieur ou extérieur) sur la commande.

Natural: Unique finishes that exactly mimic natural materials. *Please note all these finishes have not only the look but also behave like the real material, weathering naturally if outdoors. However, the surfaces will mark clothes if brushed against so use indoors only in low footfall areas. Rust can be matt lacquered to avoid this problem on request.*

Naturel: Finitions uniques qui imitent exactement les vrais matériaux naturels. *De plus elles les ressemblent en aspect et en comportement. Par exemple les finitions rouille et cuivre bleu vieillissent naturellement en usage extérieur. Attention, ces surfaces pourront marquer les vêtements, il est recommandé pour leur usage en intérieur de ne pas les disposer à proximité des endroits passants. La rouille peut être mate laquée à la demande pour éviter cet inconvénient.*

Dapple and Vintage: Unique multicolour finishes adding further opportunities to personalise your planters. Both styles are coated with clear lacquer giving extra shine and a more resilient finish.

Moucheté et Vintage: finitions multicolores uniques rajoutant encore plus de possibilités de personnaliser vos pots. Les deux finitions sont recouvertes de vernis clair donnant un éclat supplémentaire et une finition plus résistante.
