**NATURAL PLANT DISPLAYS**

**4'-8". Mahogany or white matt finish.**

## **To Brighten up Your Reception Area!**

The Office Landscape Display is an elegant mahogany unit, hand made by craftsmen to a high specification.

They contain a selected variety of attractive live house plants. Watering — always a tricky problem — is catered for by a self-watering reservoir system which can supply the plants needs for approximately six weeks. The display is serviced regularly by our own staff who keep it looking fresh and attractive — even replacing plants when necessary.
